 No School Oct. 20-21
- * Library books due every Tuesday
- * Review letter sounds and math pages
- * Tzedakah is always welcomed
- * Sukkot Dinner Oct. 17

Ms. Heidi

General Studies

This week was absolutely awesome as we explored the letter "A"! We learned the short and long vowel sound of "A", made alligators, ate apples, and much more.

We discussed our Jewish value of the month Dibuk Chaverim: **Holding our friends close to our hearts** and made a class chart. I was very proud of my girls and boys for their thoughtfulness. Now, if they can always remember to act upon it!

We have been very busy mathematicians as we explore numerals 0 through 5. We have been practicing writing the numbers and comparing same, more than, and less than.

Please call the office to make reservations for our Annual Sukkot Dinner. You certainly will not want to miss this special evening.

I hope you have a meaningful Yom Kippur and easy fast.

Shabbat Shalom, Ms. Heidi

Mrs. Adelman

Judaic Studies and Hebrew

We had a fun week of learning in the Pre-K during Judaic Studies/ Hebrew. The Pre-K students learned the letter *Vav* this week. They have now learned the first six letters of the Hebrew alphabet, and they are writing the letters beautifully. In preparation for *Yom Kippur*, the Pre-K bunch learned the story of *Yonah* (Jonah and the Big Fish), which is read on *Yom Kippur*. The students really enjoyed listening to the story of *Yonah* and working on their *Yonah* project. Next week, the Pre-K bunch will be learning all about *Sukkot*, as we get excited for another holiday!

G'mar Chatima Tovah,

Mrs. Adelman
