

# Pre-K's Learning Safari

- \* No School 9-5-11
- \* Fridays Show N Tell
- \* 3:00 Dismissal on Fridays
- \* Please send napkins and utensils in lunches
- \* Check folders nightly
- \* Library books due every Tuesday
- \* Read nightly to your child
- \* Review letter sounds and math pages
- \* Thanks for sending healthy snacks
- \* Tzedakah is always welcomed

## Ms. Heidi *General Studies*

Hats off to the best Pre K! We've had another incredible week! The children have completed G-K in their animal alphabet books. We have learned fun, interesting facts about the flamingo, gorilla, hippo, ibex, jaguar, and kangaroo. They are learning about the habitats and foods they eat. We are also learning the differences between herbivores and carnivores. They are increasing their oral vocabulary daily using the letter of the day words in sentences.

In math, we are practicing writing our numbers 0-10 correctly and playing fun games using shapes, patterns, and sorting. We are working on saying the months of the year in order and singing our days of the week song.

Our Jewish value (Ohev Zeh Et Zeh/Mechabayd Zeh Et Zeh) love and honoring one another went over beautifully with the young ones. They showed adorable acts of loving kindness to each other and talked about how they could do the same at home.

Shabbat Shalom, Ms. Heidi

## Mrs. Adelman

### *Judaic Studies and Hebrew*

It was another fabulous week in the Pre-K during Judaic Studies/ Hebrew. The Pre-K bunch learned the Hebrew letter "Bet" this week and practiced writing it. The students also learned how "Bet" is a special letter, because depending on how you write the letter, it can be a "Bet" or a "Vet". The Pre-K students learned words beginning with "Bet", like bayit (house) and barvaz (duck). The Pre-K students also enjoyed taking pictures with Bentzi, our class friend who only speaks Hebrew, because his name also starts with the letter "Bet". Next week the Pre-K group will be learning the letter "Gimmel" and how to write their names in Hebrew. I look forward to another fun week of learning with the Pre-K!

Have a wonderful long weekend and a Shabbat Shalom,  
 Mrs. Adelman

Walking quietly in line...
