- * Fundraiser Honoring Mrs. Schlackman this Sunday 5pm Gates of Prayer
- * Library books due every Tuesday
- * Read nightly to your child
- * Review letter sounds and math pages
- * Tzedakah is always welcomed

Ms. Heidi General Studies

This week we learned the letters U-Y as well as the short vowel sound of the letter "u" as in the word "up." We practiced writing the letters and learning their sounds. We also learned interesting facts about unicorns, vicuñas, whale, x-ray fish, and yaks and we located these animal's homes on the globe. In Calendar Math, we are continuing to learn the capitols and have learned LA, MS, and AR, thus far.

In celebration of the holiday, we have been reading, singing, and learning about Rosh Hoshanah. We learned the parts of an apple: skin, flesh, core, seed, and stem and made beautiful apple paintings and prints. We also counted apples seeds and created patterns out of mini paper apples. In addition, we made graphs about apples and tasted different varieties. Have a happy, healthy New Year!

Shabbat Shalom, Ms. Heidi

Mrs. Adelman Judaic Studies and Hebrew

The Pre-K class had a great week learning the letter *Hay* and about Rosh Hashanah in Judaic Studies/Hebrew. The Pre-K students were all writing the letter *Hay* beautifully, and enjoyed making a *Har* (mountain) for their *Hay* Project. The Pre-K students heard stories about Rosh Hashanah and about the *shofar* -they even heard the sounds of the *shofar* in class! It will be all Rosh Hashanah in the Pre-K class next week since Rosh Hashanah begins on Wednesday night!

Shanah Tovah - Wishing you and your family a happy and healthy new year. ~Mrs. Adelman
