Reminders & Upcoming Events

- each Friday is "show and tell"
- Open House- learn about our classroom- Aug.30th at 6:30
-
- Library books due back each Thursday

This was a very exciting week in Kindergarten. We began Computer class, Library, and meetings with Ms Baudy. We call Ms Baudy's class our time to discuss our feelings, and the entire class looks forward to this special time together. In Reading, we are working on letter sounds, rhyming, sentence formations, and punctuation. In Math, we are practicing the correct formation of numerals, sets, patterns, sorting, money, and time. In Social Studies, we are talking about manners, and how we treat people. We have been discussing how our choices effect the world around us. At Open House next Tuesday, we will be discussing many different aspects of your child's day, which will help you to understand some of our rules and procedures within our class. Today, by planning their time wisely, your child was expected to complete their self regulated learning games. Each child completed this task successfully. Kindergarten is a year of more independent learning and taking on more responsibilities to achieve their goals. Shabbat Shalom!

Hebrew and Judaic News

Dear Parents,

This week we learned about the letters reish and daled. We learned Hebrew words with the letters and we worked on the five centers. We also learned two new songs "Uga Uga" ,and an Israeli famous song, "Al tira Israel". The song tells about our trust in G-d to do the best for us so we are not afraid of anything . We sang that song with the whole school in "Oneg Shabbat".

All Smiles!!!!
