Reminders & Upcoming Events

*Hanukkah program-Dec. 15th, 6p.m. at Shir Chadash

*Winter break-Dec. 16th, 3:00 dismissal, return to school on Monday January 2nd

Sight Words

once, now

Hanukkah time has been in full swing in our classroom. We have been busy with singing, dancing, art projects, journal writing, games, and fun of all types. We will continue Hanukkah activities and practicing for our performance on, December 15th at 6:00, at Shir Chadash. We hope you will all be able to join us for the fun, and see all of the class Hanukkiah's that will be displayed. In Reading, our new Superkid, Frits, likes to fish, pick flowers, play with frogs, and have fun. We are working on different types of sentences, rhyming, and blending letters. In Math, we are learning more about number tables, and addition. We are enjoying all of our new class books from all the "book fair" donations. Thank you so much for all your support, I hope you are enjoying your new books.

Hebrew and Judaic News

Dear Parents,

We dedicated all week to learning about Chanukah. We learned about the Chanukah story and why we have a Chanukiya, why we light the candles for 8 days, and what miracles happened to the Jews. We made a menorah from recyclable materials and the children learned about second used objects. We also learned the "halacha" rules of the menorah, how we should have space between candles, lift the "shamash" higher, the order for lighting the candles, and where to put the menorah in the house. We watched Chanukah videos and reviewed Chanukah songs together.

Shabbat Shalom, Mery Beit Halachmi and Lauren Ungar
