screen

1:00 dismissal,
Sept. 28th, No
school, Sept.
29th and 30th-
Rosh Hashannah

New sight words
is, the
to, and

This week, we introduced our new Superkid, Golly the dog. We played a special driving game while working on the sound that Gg makes. We have been exploring many different shapes and patterns and observing these shapes all around us. Thank you to those that sent in apples, we will be using them to graph, sort, contrast, taste, dehydrate, add, subtract, and in art projects. We have started our study of wood and have been comparing properties of different kinds of wood found in the classroom environment. We will be learning about the different kinds of wood from different kinds of trees; some kinds of wood are processed and transformed by people. We are excited to begin preparing for Rosh Hashanah next week! Shabbat Shalom!

Hebrew and Judaic News

Dear Parents,

This week we learned about the letters "lamed" and "mem". We worked in the centers and we learned words beginning with these letters such as: lama, lo, maim, mezuzah.

We learned the song-" KolHhaolam Kulo" and we rehearsed the songs we learned before.

We also played together and had a lot of fun.

Shabbat Shalom. Mery Beit Halahmi and lauren Unger
